About This Game

Gameplay: In AridFortress your goal is to get kills for score. Find weapons from shotguns, assault rifles, and snipers. Use them to get more score and raise your kill counter.

As you get more kills, the fortress level will go up.. As the fortress level get's higher, more enemies will spawn and be harder to kill.

You start with 200 health and will find medpacks around the fort. You also have a timer to keep track of your in-game playtime.

How long will you survive?
